Bangladesh: Muslim villagers, angry at pastor's ministry, gang-rape his 13-year-old daughter

DHAKA, Bangladesh, May 8 (Compass Direct News) – Muslim villagers in Mymensingh district

agree that a muslim man can have sex with baby girl.

This is what Imam Khomeini, the top shia authority says:

"A muslim man can have sexual pleasure with a little girl as young as a baby. But he should not penetrate her vaginally, however he can sodomize her". (Tehriro vasyleh, fourth edition, Qom, Iran, 1990)

PROPHET LOVED LITTLE GIRLS

Prophet had special feelings for cute little baby girls.

crawling before him and said, 'If she grows up and I am still alive I will marry her.' (p. 311)

New Zealand Rape Jihad: 2 “Men” Jailed

Why should New Zealand be different? Wherever the soldiers of Allah are allowed to settle behind enemy lines, in the Bilad al Kufar, they follow the same pattern of behavior.

Beslan - Russian Children Experience Rape Jihad

SOURCE: http://atlasshrugs2000.typepad.com/atlas_shrugs/2010/08/six-year-terrible-anniversary-beslan-jihad.html

Excerpt From the Article: It was then that they began raping the girls. They wanted sex as they killed, and this is sexual homicide. A sex killer gets excited when he thinks about forcing himself inside an unwilling victim, but the rape itself does not produce the ultimate excitement. It is the rape followed by the killing that is arousing. This is what happened at Beslan.

One by one, females were targeted. The sex killers looked for the perfect victims, and after zeroing in, they grabbed and disrobed the little girls in the middle of the gym. There were muffled cries as the girls were humiliated in front of

everyone. They were stripped, raped, and sodomized by several men. Not content to simply rape, the terrorists used their guns and other objects to penetrate the screaming victims while the other hostages were forced to watch.

And the terrorists laughed. They laughed as they violated the children and made them bleed. What few people know is that some of the girls died as a result of being raped with objects. The internal damage was so severe that without immediate medical attention, the girls bled to death. Those who managed to survive required extensive reconstructive surgery and painful recoveries.

But raping the girls was not enough for the deviants who

had entered the school. The terrorists beat the other children. In fact, beatings took place regularly, and as they pummeled the little ones, the terrorists smiled and laughed. It was said that they would strike a child and then watch the child cringe.

Iran: Top Shia Cleric and Ahmadinejad's Spiritual Adviser Says Islam Sanctions Rape of Political Prisoners

SOURCE: <http://sheikyermami.com/2009/09/01/iran-top-shia-cleric-and-ahmadinejads-spiritual-adviser-says-islam-sanctions-rape-of-political-prisoners-both-male-and-female/>

A highly influential Shi'a religious leader, with whom Iranian President Mahmoud Ahmadinejad regularly consults, apparently told followers last month that coercion by means of rape, torture and drugs is acceptable against all opponents of the

Islamic regime.

....."Can an interrogator rape the prisoner in order to obtain a confession?" was the follow-up question posed to the Islamic cleric.

Mesbah-Yazdi answered: "The necessary precaution is for the interrogator to perform a ritual washing first and say prayers while raping the prisoner. If the prisoner is female, it is permissible to rape through the vagina or anus. It is better not to have a

witness present. If it is a male prisoner, then it's acceptable for someone else to watch while the rape is committed."

BABYLON'S COVERT WAR

The goal of Babylon's Covert War is to educate by sharing personal, professional, and academic experiences the reader might otherwise not have known or linked together. History has illustrated much to mankind, but as time passes generations seem to forget about the lessons learned or either through individual or societal influences they conveniently forget. The book discusses a wide variety of unconventional warfare topics, religion, strategy, and history throughout the last millennium. There are those that have "speculated" on the current War on Terrorism, describing it as a phenomenon that is new and emerging only in the last several decades. The truth, however, is that the United States and its allies, depending on which decade and century one is discussing, has been dealing with a multitude of radical forms of Islam since the founding of this great country. History has demonstrated that Islam, in its twisted beliefs, does not have the ability to grow and merge with the prosperous Twenty First Century.

MUSLIM SEX SLAVES: 'BACHA BAZI' aka Boy Play

SOURCE: <http://barenakedislam.wordpress.com/2010/02/27/muslim-sex-slaves-bacha-bazi-aka-boy-play-where-very-young-boys-are-the-entertainment-for-grown-men/>

Paedophiles and pimps search for young boys so they can sell them or groom them to be trained as "dancing boys". In one case a journalist goes in the car with a paedophile named Dastager. As they drive, Dastager explains the type of boy he is looking for. Then in broad daylight the "dancing boy master" stops the car, goes to a shopfront and brings a boy back

to his the waiting car

According to a report prepared for the United Nations there is evidence that the practice of bacha bazi and the sexual abuse of boys is common throughout the north of the country. It confirms that young boys, some of them only 10 years old, are lured into life as a sex slave.

There is also evidence that this type of abuse is spreading throughout Afghanistan. "It's true they make the boys wear girls' clothes and make them dance in front of many men," he said.

The powerful customers are often

former warlords who helped drive the Taliban out of the north. Others who involve themselves in the trade of boys are wealthy businessmen.

Under the Taliban, Bacha Bazi was outlawed. Today it is still a crime but clearly there is no concerted effort being made to stop the practice and the criminal activity that surrounds it.
